

Noninfectious Form

The form must be **filled in and dated on the day of arrival to the camp** and the participant will bring it together with a **copy of the health insurance card**.

If the participant is younger than 18 years, then the statement has to be signed by the legal guardian.

I declare that

participant:

born on:

permanent address:

does not show any signs of acute illness (such as fever or diarrhea).

I also do not know that she has been in contact with a person who has been infected or suspected of being infected in the last 14 calendar days before leaving for the summer jump rope camp.

I am aware of the legal consequences that would affect me if this statement was not true.
